WEBSITE MANAGEMENT REPORT

Monthly website update report

About this report

The objective of this report is to provide you with an overview of the health of your website.

This report is generated based on the insights drawn through our monitoring systems and work carried out throughout the last month.

These insights will help you keep track of all the changes and improvements on your website, as well as helping us see where further work can be carried out.

We welcome your feedback, if there is any work you would like us to focus on, please email support@swsweb.co.uk.
